
In this booklet find information about 220 artists showing at 153 sites. Use it in conjunction with our website, where pictures, email and artist websites can be found.

During Open Studio Weekend, all sites are open from 10 a.m. to 5 p.m. After Open Studio, please call ahead before visiting.

How to Use This Guide:

Get the big picture on our locator centerfold map page 12-13, showing all sites.

Find a specific artist or type of work in the Index, organized by media and alphabetically by last name or business name. (Note that the number in the listing refers to the site number, not the page number.) Sites are numbered consecutively throughout the book.

A Few Important Points

1. Map markers show approximate locations. As you get closer to the site, look for yellow wayfinder signs.

2. GPS works fine in urban areas but not so well in rural ones. Vermont does not have universal cell coverage. When in doubt, use our directions.
