map pages 12-13, showing all sites.
2. Map markers show approximate locations.
As you get closer to the site,
look for yellow wayfinder signs.

VISIT 144 OPEN STUDIOS + EXHIBITS ACROSS VERMONT

vermontcrafts.com

Open Studio Weekend is a celebration of the creation of craft and artwork and the work life of Vermont artists.

Thirty years ago, there was no internet, no smart phones, and no wireless networks. There was also no 911 network in Vermont yet and often roads in rural places did not have signs. There was no event map booklet to guide the way.

Now we have all those things to help you plan your tour through the villages and back roads of the state.

A new generation is embracing hand made, repurposed, utilitarian, local and limited production work, and these artists are joining Open Studio. There are 50 new studios on this year's tour!
