

## Welcome to the Spring Vermont Open Studio Weekend, May 27 & 28.

**Grab this booklet and plan your art tour!  
Look for the Yellow Signs.**

In this booklet find information about 143 Sites & Exhibits. Use it in conjunction with our website, where pictures, email and artist websites can be found. And see our companion Google map.

**During Open Studio Weekend, all sites are open from 10 a.m. to 5 p.m.**

### How to Use This Guide:

1. Get the big picture on our locator centerfold map pages 14-15, showing all sites.
2. Map markers show approximate locations.  
As you get closer to the site, look for yellow wayfinder signs.
3. Your phone works fine in urban areas but not so well in rural ones. Vermont does not have universal cell coverage. When in doubt, use our directions.

## Vermont OPEN Studio

**Open Studio Weekend** is a celebration of the creation of craft and artwork and the work life of Vermont artists.

Thirty years ago, there were no internet, no smart phones, and no wireless networks. There was also no 911 network in Vermont yet and often roads in rural places did not have signs. There was no event map booklet to guide the way.

Now we have all those things to help you plan your tour through the villages and back roads of the state.

A new generation is embracing hand made, repurposed, utilitarian, local and limited production work, and these artists are joining Open Studio. There are 37 new studios on this year's tour!

## Tour Loops

A tour loop is an arbitrary grouping of studios that are loosely connected to each other via some of Vermont's main roads. They take some of the planning out of touring for Open Studio Weekend as they can be easily visited in one day or over the course of a weekend. We hope they are a useful tool that makes discovering Vermont's rich cultural and natural beauty a bit easier. Of course these loops are the ones we came up with but many other tours are possible and we encourage you to make your own.

## What Are Information Centers for Open Studio Weekend?

For Open Studio Weekend, small galleries around the state serve as places to pick up a map and find more information about the local visual arts community. In many cases these galleries are officially designated Vermont State Craft Centers, however, all are worth getting to know and visiting at other times of the year.
