**Look for the Yellow Signs.**

In this booklet find information about 96 Sites  
& Exhibits. Use it in conjunction with our  
website, where pictures, email and artist  
websites can be found. And see our  
companion Google map.

**During Open Studio Weekend, all  
sites are open from 10 a.m. to 5 p.m.**

### How to Use This Guide:

1. Get the big picture on our locator centerfold map  
pages 12-13, showing all sites.
2. Map markers show approximate locations.  
As you get closer to the site,  
look for yellow wayfinder signs.
3. Your phone works fine in urban areas but not so  
well in rural ones. Vermont does not have universal cell  
coverage. When in doubt, use our directions.

## Vermont OPEN Studio

**Open Studio Weekend** is a celebration of the creation of craft and artwork and the work life of Vermont artists.

Thirty-one years ago, there was no internet, no smart phones, and no wireless networks. There was also no 911 network in Vermont yet and often roads in rural places did not have signs. There was no event map booklet to guide the way.

Now we have all those things to help you plan your tour through the villages and back roads of the state.

A new generation is embracing hand made, repurposed, utilitarian, local and limited production work, and these artists are joining Open Studio. There are 19 new studios on this year's tour!

**Tour Loops:**  
110 artists at  
96 sites

## Tour Loops

A tour loop is a grouping of studios that are loosely connected to each other via some of Vermont's main roads. They take some of the planning out of touring for Open Studio Weekend as they can be easily visited in one day or over the course of a weekend. We hope they are a useful tool that makes discovering Vermont's rich cultural and natural beauty a bit easier. Of course these loops are the ones we came up with but many other tours are possible and we encourage you to make your own.

## What Are Information Centers for Open Studio Weekend?

For Open Studio Weekend, small galleries around the state serve as places to pick up a map and find more information about the local visual arts community. In many cases these galleries are officially designated Vermont State Craft Centers, however, all are worth getting to know and visiting at other times of the year.

## Vermont Strong

On July 10 and 11, 2023 many Vermont communities suffered flooding as days of rain overwhelmed streams and rivers. River communities were hardest hit but the water found the easiest way down many of our beautiful mountains, washing out roads and buckling pavement. Repair to roads and bridges started immediately after the water receded. The artists of Fall Open Studio are looking forward to seeing you!
