

Welcome to the Fall Vermont Open Studio Weekend, October 3 & 4.

Grab this booklet and plan your art tour!

Look for the Yellow Signs.

In this booklet find information about 111 Sites & Exhibits. Use it in conjunction with our website, where pictures, email and artist websites can be found. See our **New Tour App** to help with your tour planning!

During Open Studio Weekend, all sites are open from 10 a.m. to 5 p.m.

HOW TO USE THIS GUIDE:

1. Get the big picture on our locator centerfold map pages 14-15, showing all sites.
2. Map markers show approximate locations.
As you get closer to the site, look for yellow wayfinder signs.
3. Your phone works fine in urban areas but not so well in rural ones. Vermont does not have universal cell coverage. When in doubt, use our directions.

Plan Your Tour

Take some of the planning out of touring for Open Studio Weekend with **our new app and our tour loops**. A tour loop is a grouping of studios that are loosely connected to each other via some of Vermont's main roads. On our centerfold map, they are marked with dotted circles. Use loops to organize a tour of studios that you can see in an afternoon, a day or a weekend.

Tour Loops:

NEW APP!

Tour.vermontcrafts.com

Take planning one step further. Use our app (no download required) to dive into the specifics of your tour and share it with your friends. Explore on your phone or laptop to see artwork, studio locations, to plan your route and even build in time for lunch. Save your route to your phone to access later, download it, and even decide what order you'll visit studios. It's all the information, all in one place.

What Are Information Centers for Open Studio Weekend?

For Open Studio Weekend, these galleries serve as places to pick up a tour booklet and find more information about the local visual arts community. In many cases these are officially designated Vermont State Craft Centers. All are local gems to put on the list for visits at other times of the year.

We hope these tools make discovering Vermont's rich cultural and natural beauty a bit easier. Of course these loops are the ones we came up with but many other routes are possible and we encourage you to make your own tour.
